I (print name) _____ certify that I viewed the Nanogate North America LLC. GHS Hazardous Communications Video and completed this quiz, which meets the guidelines set by OSHA under Standard 29 CFR 1910.1200.

I understand the materials and will use safe work practices and the protective equipment and clothing required for the job assignment. I will inform my supervisor of accidents, spills, work practices or other hazards and stay informed about the chemicals that I use on my job. Anytime I have questions I can contact my supervisor or the EHS Department.
